Note: If your event is in the learning center then learning center tables and chairs should be used. In addition, no colored punch/drinks are allowed in this area. If your event is in the Student Lounge then the picnic tables will remain and additional tables/chairs may be used if requested.

## Cleaning and Contractual Agreement

First, there are cleaning supplies available in the utility closet located just to the right of the women's restroom (in the student building) or in between the men's and women's restrooms (in the office hallway) in case of an accident. Any major spill or accident should be immediately cleaned by the person responsible for the event in order to minimize the risk of injury for event attendees. Second, the following is a checklist to be followed for after-event cleanup. **Please be aware that disregarding this checklist will result in a \$100 non-refunded deposit.**

1. Removal of any equipment, decoration, food, etc., not belonging to Community Bible Church promptly after your event.
2. Take out all trash to the fenced-in dumpster located in the West parking lot to the left of the maintenance building.
3. Return tables, chairs, games, and any other furniture to their original locations. (Including any tables or chairs that were made available on carts)
4. Turn off lights when vacating the building.

**\*\*\* Due to the difficulty of the cleanup, we ask that you do not use glitter or metallic confetti of any kind for your event.\*\*\***
